

## 9-1-1 Community Supporters

(Updated September 21, 2013)

The 9-1-1/Colorado Foundation is grateful to the Colorado 9-1-1 Community, including 9-1-1 Authorities, public safety agencies and First Responders, for their support of the Foundation's public information programs.

The 9-1-1 Authorities serving the following counties have provided funding for the Foundation's statewide advertising campaign of approximately 4,000 TV ads and 16,000 radio ads to promote registration for Emergency Notification Services:

- Arapahoe County
- Aspen-Pitkin County
- Boulder County
- Chaffee County
- Clear Creek County
- Douglas County
- El Paso-Teller County
- Elbert County
- Garfield County
- Grand County
- Jefferson County

- Pueblo County
- San Luis Valley E911
  - Alamosa County
  - Conejos County
  - Costilla County

The Messaging Committee provides direction regarding the Foundations public education initiatives, and reviewed and approved the script for the commercials for the statewide broadcast advertising campaign to promote registration for Emergency Notification Services. The volunteer members of the Messaging Committee are Jeff Irvin, Michelle Hess, Trina Everhart, Matt Goetsch, Ben Bills, and Pam Stewart, Randy Long and Bob Owens.
